

# The **MICRO-TRAINS<sup>®</sup>** LINE Micro-News<sup>®</sup>

March 2019

**NEW**

## Northern Pacific Road Number 1695

This 80' heavyweight diner car is two-tone green with white lettering and runs on 6-wheel passenger trucks. In the early 1950s, Northern Pacific's North Coast Limited was painted in the classic two-tone green paint scheme developed by Raymond Loewy. These cars continued to serve NP through the mid-1960s.

#146 00 320...\$34.90

**NEW**

## Southern Road Number 3162

This 80' heavyweight diner car is pullman green with gold lettering and runs on 6-wheel passenger trucks. Built in 1925 for Southern, this dining car was used in Florida service and on extra trains not adhering to the regularly published schedule. Containing 12 dining tables and a full kitchen, these cars were fully outfitted for luxury dining.

#146 00 330...\$29.95

**NEW**

## CSX<sup>®</sup> Road Numbers 141706/141737

These 50' rib side box cars with single door and no roofwalk are blue with yellow lettering and run on Barber Roller Bearing trucks. Built by FMC in the late 1970s for Railbox, it was later transferred to C&O, then Seaboard, and finally arrived on the CSX roster in the 1980s. Shopped in the 2010s, the car received a fresh coat of CSX blue.

#025 00 117...\$25.90  
#025 00 118...\$25.90

**NEW**

## Burlington Northern Santa Fe Road Number ETTX 711052

This 89' tri-level closed autorack is yellow with black lettering and runs on Barber Roller Bearing trucks. This design became the universal standard for most railroads by the mid-1970s. Commonly used to this day, the design prevented vandalism and pilferage and helped to protect vehicles from the elements.

#111 00 210...\$49.95

**NEW**

## Reading and Northern Road Number RBMN 9963

This 3-bay covered hopper with elongated hatches is grey with green band and runs on Barber Roller Bearing trucks. Formed in 1983, the Reading, Blue Mountain & Northern is a regional freight railroad operating 300 miles of track in eastern Pennsylvania. Sometimes shortened to just "Reading & Northern," the railroad primarily transports coal, but also operates a fleet of general service freight cars to service various industries along the way.

#094 00 550...\$29.95

**NEW**

## Joan of Arc Road Number NWX 12520

This 40' double-sheathed wood reefer with vertical brake wheel is brown with yellow decorated sides and runs on Bettendorf trucks. The Illinois Canning Co. was founded in 1875 by S.S. McCall in the town of Hoopston, Illinois. Later changing its name to "Joan of Arc," the company produced a variety of food products, including Fancy Red Kidney Beans, and Fancy Country Gentleman Sugar Corn.

### FARM-TO-TABLE SERIES CAR #2

#049 00 810...\$27.95

Accepting Orders for March Releases Beginning February 28th • All Prices U.S. Dollars

## Frisco Road Number SLSF 108

This 36' riveted steel caboose with offset cupola is red with white lettering and runs on Bettendorf Swing Motion trucks. Built in the 1940s, this caboose was shopped several times, receiving roof upgrades, interior reconditioning, and new paint. It was eventually relegated to local and transfer service before being retired in the 1970s.

#100 00 420...\$29.95

## Southern Pacific® Road Number SP 659039

This 40' hy-cube box car with single door is brown with white lettering and runs on Roller Bearing trucks. These B-50-53 class boxcars were pooled and used in appliance service, and were built for Southern Pacific in 1965. Featuring DF loader technology and a Hydra-Cushion underframe, they were also excess height cars to allow more vertical room for bulky commodities.

SP® is a registered trademark of the Union Pacific Railroad.

**REPRINT**

### TTX Road Numbers DTTX 56822/56835

These 70' well cars are yellow with black lettering and run on Roller Bearing trucks. Built in early 1992, these TTX well cars accepted containers up to 48' in length in the bottom well position. Founded in 1955 as "Trailer-Train," the company standardized TOFC practices and fostered the growth of rail transportation. The Trailer-Train brand was retired in 1991 as the company rebranded simply as "TTX."

#540 00 013...\$29.80

#540 00 014...\$29.80

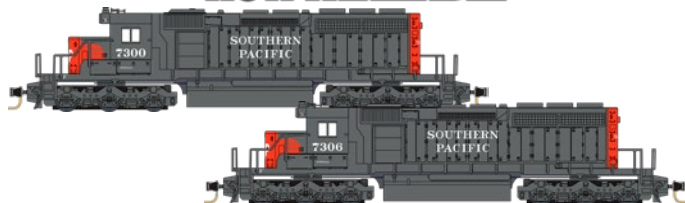

**NEW**

### Southern Pacific® Road Number 7300/7306

These SD40-2 powered locomotives are grey with red nose and white lettering. Built in the late 1960s for Southern Pacific as an SD40, these units went through the extensive G.R.I.P. rebuild program, and were released as SD40R's. Upgrades included electrical, crew amenity and headlight improvements. Many continued to serve in this paint scheme through the 2000s, even after SP was merged into UP in 1996.

# New 60' Rib Side, Double Plug Door High-Cube

National Steel Car company was one of three manufacturers enlisted by TTX Company to build their new fleet of 60' excess height boxcars in 2003. These heavy-duty cars featured double plug doors giving the customer a 12' opening to easily load everything from paper products, appliances to consumables. Referred to as "Super Duty" cars, they join the growing fleet of "Plate F" cars providing higher capacities for shippers looking to streamline their deliveries.

# Thomas Kinkade 'Lit' Train Series Cancelled

We regret to share that due to quality issues and delays with the lighting component from our overseas vendor, the 'lit' version of the Thomas Kinkade Painter of Light™ Series has been cancelled. The version without an interior light will still release on April 1st. If you had the lit version on order, please contact your dealer to let them know if you want to get the non-lit version instead or to cancel your order. We apologize for this change.

**SERIES BEGINS  
APRIL 2019**

**All Cars...\$31.95 each**

\*Renderings shown for representation only.

## Northern Pacific Heavyweight Recall

The Northern Pacific heavyweight cars released in November and December of 2018 (#145 00 320 and #142 00 320) have been recalled due to the 'monad' logo colors being printed in the incorrect positions. We are very sorry for this error.

If you want to send in your car for the replacement car, please see the specific return instructions on our website by clicking on the 'NP Heavyweight Recall' link on the left navigation bar. Replacement cars with corrected logo colors will be available this May or June '19.

#### DRAWING DETAILS:

Anyone 12 years old and up can participate in the drawing. No purchase is necessary. Only one entry per person allowed for the entire drawing period (thru December '19). One participant will be randomly drawn each month. Micro-Trains employees are not eligible.

Participants can enter the drawing by mailing in the entry form or online at the Micro-Trains website. There is no advantage by submitting entries digitally or by mail-in. Once entered into the drawing, participants will remain in the drawing unless they are drawn as a winner. Once drawn as a winner, their entry will be removed and they cannot reenter the drawing in future months. Entries can be submitted March 1st through November 15th, 2019. The last drawing will be conducted during the end of November and announced December 1st.

All participants must agree to let MTL advertise their name as the winner in the Micro-News flyer, MTL website and Facebook, if drawn. Prizes will be shipped out to winners during the first half of each month, with the Anniversary Car shipping to winners during September through December.

Enter the drawing online at [micro-trains.com](http://micro-trains.com) or by mail using this entry form.
