Constellation Zodiac Cars Road Names: Scorpius-Sagittarius-Capricornus

AVAILABLE MID-MONTH!

N

These 60' excess height box cars, with double plug doors and rivet sides are black with decorated sides and run on Barber Roller Bearing trucks. Scorpius is located in the Southern celestial hemisphere. Sagittarius is one of the constellations of the zodiac and is located in the Southern celestial hemisphere. Its name is Latin for "archer," and its symbol is a stylized arrow. Capricornus is the smallest constellation of the zodiac, and is located in the Southern Hemisphere. Its name is Latin for "horned goat," though it is often represented as a mythical sea-goat.

NEW **CSX®**
Road Numbers 801409/801416

This 100-ton 3-bay open hopper with rib sides is black with yellow lettering and runs on Barber Roller Bearing trucks. Serviced in 1989, this hopper belonged to a 200-car series, 801401-801457. With a 3,418 cubic-foot capacity, it also had a "hopper topper" added during seasonal surges of grain and allowed the car to switch between coal service and grain service. Cars were washed thoroughly and the topper was added to the car, making in essence, a weatherproof covered grain hopper.
