BNSF FAMILY TREE SERIES #1

N
SCALE 1:160

This 3-bay covered hopper with Barber Roller Bearing trucks was built in April 1967 by American Car & Foundry for the Chicago, Burlington & Quincy. In 1970, CB&Q, SP&S, GN, and NP merged to form Burlington Northern, and this 3-bay Centerflow covered hopper was repainted into BN Green. Burlington Northern continued to operate until 1996, when it merged with ATSF to form BNSF.

Southern Pacific[®]
Road/Number SP 319

N
SCALE 1:160

This 34" wood-sheathed caboose with Bettendorf trucks was built in 1929 and featured a slanted cupola. The 50 cars built were placed into a random number series of over 600 cars. They were used through the late 1950s. Southern Pacific was a Class 1 railroad from 1865 until 1996, when it was absorbed by Union Pacific after falling on hard times financially in the 1970s and 1980s.

Penn Central
Road Number PC 252455

N
SCALE 1:160

Pennsylvania Railroad rebuilt 40' boxcars in the late 1950s to extend their service life amid a boxcar shortage. Later, after being merged into Penn Central, they received new PC green paint in the late 1960s. This car was outfitted with a variation of the Penn Central logo, in white and red paint, with Bettendorf trucks. Penn Central was formed through the merger of Pennsylvania Railroad and New York Central, and operated until 1976 when it was rolled into Conrail Corporation.
