

Denver & Rio Grande Western[®] Road Number 805

This 80' heavyweight diner car is painted in Rio Grande gold, silver and black and runs on 6-wheel passenger trucks. This diner was used on trains in the heart of the Rockies, such as the famous "Ski Train" in Denver. D&RGW was formed in 1870 and operated the highest mainline railroad in the United States through the Colorado Rockies at an altitude of 10,240 feet.
