February 2019

**NEW**

## Northern Pacific Road Name Madison River

This 3-2 heavyweight observation car is two-tone green with white lettering and runs on 6-wheel passenger trucks. Northern Pacific rebuilt a number of heavyweight cars in the 1950s into business cars which served as a rolling office for company officials and management. These cars continued to serve NP through the mid-1960s.

**AVAILABLE MID-MONTH!**

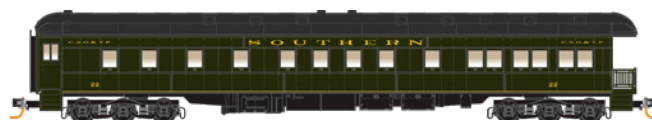

#144 00 320...\$34.90

**NEW**

## Southern Road Number 22

This 3-2 heavyweight observation car is pullman green with gold lettering and runs on 6-wheel passenger trucks. Built in 1903 by CNO&TP, this observation car was rebuilt in 1939 with air conditioning by Southern Railway. The car included two state rooms, a kitchen and dining rooms.

\*Rendering shown for representation only.

#144 00 330...\$29.95

**NEW**

## Rock Island Road Number 92000

This heavyweight depressed-center flat car is brown with white lettering and runs on 6-wheel commonwealth freight trucks. Rock Island only had a single depressed center flat car, the RI 92000. Built in 1954 by RI from General Steel Castings components, this car was used for the transport of bulky and heavy industrial loads, such as electrical transformers and construction equipment.

**WITH GENERATOR LOAD**

#109 00 150...\$27.90

**NEW**

## New York Central Road Number 87228

This 40' standard box car with single door is black and green with white lettering and runs on Bettendorf trucks. As a part of NYC series 87222-87271, this appliance boxcar was specially equipped with SL load restraints. Built in 1956, it was among one of the last 40' box cars built for NYC as railroads moved to larger, higher capacity cars in the 1960s.

#020 00 207...\$27.80

**NEW**

## Monarch Foods Road Number NWX 14290

This 40' double-sheathed wood reefer with vertical brake wheel is grey with decorated sides and runs on Bettendorf trucks. Featuring a large produce mural for Reid, Murdoch & Company's "Monarch Finer Foods" brand, this reefer was assigned a North Western Refrigerator Line reporting mark and served through the 1930's.

**FARM-TO-TABLE SERIES #1**

#049 00 300...\$27.95

**NEW**

## HEINZ® Road Number HPFL 3015

This 36' wood sheathed ice reefer with truss rods is brown with yellow decorated sides and runs on Arch Bar trucks. With a fleet of 700 cars, HEINZ was able to ship their product by rail to major markets throughout the US. These yellow sided refrigerator cars represent railcars painted throughout the late 1900s and through the 'teens'. All cars carried the distinctive "Heinz 57" but each car advertised a different product.

**SERIES CAR #6**

**Western Pacific®**  
**Road Number WP 14081**
**N**  
SCALE 1:87

This 40' double sheathed wood box car with 1-1/2 door, and vertical brakewheel is brown with white lettering and runs on Bettendorf trucks. Built in 1923 by the Mount Vernon Car Manufacturing Company, this 3666 cubic foot wood sheathed door-and-a-half boxcar belonged to series 14001-14100. Used for auto parts service until the 1950s, this car's extra door on each side helped facilitate loading and unloading bulky components.

**NEW**
**Frisco**  
**Road Numbers 325/351**
**N**  
SCALE 1:87

These SW1500 powered locomotives are reddish/orange with white band and run on AAR trucks. From the late 1960s to the early 1970s the St. Louis-San Francisco Railway enlisted 46 EMD sourced SW1500s, painting them in Mandarin orange and white. These switchers could be found at all of Frisco's major yards until September 1980 when they were taken over by the Burlington Northern system.

Road Number 7300/7306

These SD40-2 powered locomotives are grey with red nose and white lettering. Built in the late 1960s for Southern Pacific as an SD40, these units went through the extensive G.R.I.P. rebuild program, and were released as SD40R's. Upgrades included electrical, crew amenity and headlight improvements. Many continued to serve in this paint scheme through the 2000s, even after SP was merged into UP in 1996.

## Northern Pacific Heavyweight Recall

The Northern Pacific heavyweight cars released in November and December of 2018 (#145 00 320 and #142 00 320) have been recalled due to the 'monad' logo colors being printed in the incorrect positions. We are very sorry for this error.

If you want to send in your car for the replacement car, please see the specific return instructions on our website by clicking on the 'NP Heavyweight Recall' link on the left navigation bar. Replacement cars with corrected logo colors will be available this May or June '19.

### LIMITED EDITION SPECIAL RUNS

### TRINITY RAIL (TILX) 54 FT. GENERAL SERVICE GREEN TANK CAR

AVAILABLE AUGUST/19

These 54 ft. 23,000 gallon cars will be sold in two different 4-Packs. Each 4-Pack will feature a different layout. By combining 4-Packs from this and future releases, modelers will be able to build a prototypically accurate layout of these cars, as seen across Canada and the United States. Cars will have reporting marks on the roof and light green masking around the hatches.

This is a PWRs exclusive 4-Pack. To order go to:
